Cutting Guide for patterned papers (measurements are listed width X height)	
<i>Let it Snow:</i>	4 X 4
<i>Florentine Ribbons:</i>	12 X 2 3/4
<i>In a Nutshell:</i>	6 3/4 X 1 3/4
<i>Graceful Green:</i>	12 X 7 3/4

## INSTRUCTIONS

1. Cut the patterned papers to suggested sizes in the cutting guide above.
2. Using *Whispering Pines* as background paper (12"X12"), assemble and adhere the trimmed papers as shown in **diagram 1** (place *Graceful Green* paper at bottom edge of *Whispering Pines* paper).
3. Crop photo to 9 1/2" X 6 1/2" and attach at the right edge of page directly above *Florentine Ribbons* paper (2 3/4" from bottom of page).
4. To make "Christmas" title: adhere cardstock sticker letters to strip of *In a Nutshell* ( 6 3/4" X 1 3/4") paper and attach at top left of photo (overlap slightly). Use the flocked alphabet letters with rhinestones to add a little bit of "glitz".
5. Refer to **diagram 2** for placement of cardstock stickers and finish your layout with glittery chipboard pieces and brads of your choice.
